The Crescent City Lights (CCL) was founded as Summer Stages in 1993 by New Orleans Opera chorister, Julie Condy, to bring talented children together from across the metro New Orleans area through the professional production of a musical written for young performers. CCL has produced over 30 musicals with casts of young people ages 9 to 17, empowering young lives through the magic of musical theater. Many CCL alums go on to study the arts in college and beyond. CCL cast members work under the direction of talented local professional artists including New Orleans Opera costumer, Charlotte Lang and Ms. Condy. Children from CCL have performed as the children's chorus with the New Orleans Opera since 1999. Since 2006, CCL is proud to be a partner with the New Orleans Recreation Department and presents 3 to 4 annual productions per year.
